SAT School Day	On September 23, all seniors who have signed up for the SAT will report to school at 8:30 to take the SAT. All other students will work remotely, independently. Students working remotely will not be required to sign in to classrooms in the morning. Once the SAT is complete (1:00), teachers will be available for student conferences and individualized or group support. Teachers will provide the conference sign-up process in the days leading up to the SAT school day.
PSAT Days	Details to follow.
